The screenshot shows the Autodesk AutoCAD 2016 installation wizard window. The title bar reads "Autodesk® AutoCAD® 2016". The main window has a header with "AUTODESK® AUTOCAD® 2016" and the Autodesk logo. Below the header is a breadcrumb "Install > Product Information". The main content area is split into two columns. The left column contains three sections: "Product language" with a dropdown menu set to "English"; "License Type" with radio buttons for "Stand-Alone" (unselected) and "Network" (selected), with subtext "Use a license on the workstation" and "Use a license from my network" respectively; and "Product Information" with radio buttons for "I want to try this product for 30 days" (unselected) and "I have my product information" (selected), followed by input fields for "Serial number:" and "Product key:". The right column contains a "Network License" section with a dropdown menu set to "Single License Server" and a text input field for the server name, with a "Browse..." button below it. At the bottom of the window are links for "Installation Help", "System Requirements", and "Readme", and three buttons: "Back", "Next", and "Cancel".
